Toothpaste

HOUSEHOLD ITEMS

Dish soap (12-16 oz)

THREE EASY STEPS

- 1 Pick your food drive focus**
Choose one item to focus on. By focusing on one item, it saves resources on our end and makes it possible for us to add your donations to our pantry immediately.
- 2 Register your food drive**
Register your drive on our website. Once registered you will receive a media kit to help you make the most of your food drive.
- 3 Confirm your drop off date**
Once your registration is submitted, someone from our team will reach out to you to confirm the best date and time to drop off your donation. Scheduling a time for drop off ensures we are open and have team members ready to take your items.
